

8. VEHICLES. The immobilization of any vehicle for any reason, including, but not limited to repairing or overhauling, at a resident's site or on any street within ClearWater Subdivision is hereby strictly prohibited. The parking of excessive amounts (as defined by the Declarant within its sole discretion) of vehicles, boats, campers, recreational vehicles or trucks is prohibited. There is a storage area for these items within the development. These items shall be kept in the driveway for no more than 24 hours before re-storing the items. Trucks more than one and one half ton are prohibited unless approved by the Architectural Review Committee.

9. BOAT AND BOAT TRAILERS. Boat trailers or boats may not be stored on the front portion of any lot or the side portion of a corner lot for longer than 24 hours, unless approved in writing by the Architectural Review Committee. No boat trailers or boats exceeding twenty (20) feet in overall length shall be stored on any lot or in the subdivision unless otherwise approved by the Architectural Review Committee.
